

SPEAKER APPLICATION

Please note the following before completing the speaker application below:

The majority of speakers are nominated by the sponsoring federal agencies and the conference partners and given preference in the conference program. If you are not nominated by one of these agencies, you may apply to speak by filling out the form below.

This is a federally sponsored conference, the objectives of which are to: (a) inform local, tribal and state public safety practitioners and emergency responders of the latest government initiatives and technologies concerning critical incidents; and (b) foster a dialogue between government and practitioners about those initiatives and technologies. All topics presented at the conference will further the conference objectives.

Format:

- Presentations given by public safety practitioners or other government officials are preferred;
- Presentations are generally 15–20 minutes in length and are typically given in a panel setting; and
- Presentation topics should fit into one of the DRAFT session topics listed on the conference website, www.tcipexpo.com.

Deadline:

Forms must be **filled out completely** and submitted to Margaret Black, **no later than June 12, 2011**, for consideration by the Conference Planning Team. Incomplete forms will not be considered.
